Small Cap Value Performance Disclosures

1. Cardinal Capital Management, LLC (“Cardinal” or the “Firm”) is an investment advisor registered with the Securities and Exchange Commission under the Investment Advisors Act of 1940. Cardinal is a specialty investment firm focused on small and mid cap value equity investing. Cardinal has no subsidiaries or divisions; all business is done at Cardinal and all discretionary assets are managed by Cardinal. The Firm strives to generate superior risk-adjusted returns through active management, while serving clients with the highest level of integrity and diligence. Cardinal serves financial institutions, mutual funds, pension plan sponsors, public funds, endowments and foundations as well as high net worth individuals.
2. On 12/31/2002, the minimum portfolio size for the Cardinal Small Cap Value Equity Composite became \$5 million. Prior to 12/31/2002, the minimum was \$500,000.
3. Valuations and returns are computed and stated in U.S. dollars.
4. Composite returns are calculated both net and gross of fees. Gross of fees returns are calculated gross of actual management and custodial fees and net of all trading expenses. Net results reflect the deduction of trading expenses, actual management fees, and in some instances, custodial and administrative fees. The separate accounts management fee schedule is:
 - First \$10 MM: 1.00%
 - Next \$15 MM: 0.90%
 - Next \$25 MM: 0.85%
 - Balances > \$50 MM: 0.75%
5. Performance for the period prior to April 1995 represents the results of clients’ assets managed by the investment professionals of Cardinal Capital Management while at Deltec Asset Management and employing the same investment style being used by Cardinal Capital Management.
6. The Cardinal Capital Small Cap Value Equity Composite was created in June 2001. A complete description of all composites is available upon request.
7. Cardinal Capital Management, LLC claims compliance with the Global Investment Performance Standards (GIPS®) and has prepared and presented this report in compliance with the GIPS standards. Cardinal has been independently verified for the periods July 1, 1992 through December 31, 2019. Verification assesses whether (1) the firm has complied with all the composite construction requirements of the GIPS standards on a firm-wide basis and (2) the firm’s policies and procedures are designed to calculate and present performance in compliance with the GIPS standards. The Small Cap Value composite has been examined for the periods July 1, 1992 through December 31, 2019. The verification and performance examination reports are available upon request. The benchmark returns are not covered by the report of independent verifiers.
8. Returns are calculated gross of withholding taxes on dividends from foreign securities. Cardinal’s strategies are very rarely invested in foreign securities not traded on U.S. exchanges.
9. Policies for valuing portfolios, calculating performance and preparing compliant presentations are also available upon request.
10. Composite description: the Small Cap Value Equity Composite comprises all the strategy’s accounts under management for at least one month, except for those with client-imposed trading restrictions and those that do not meet the \$5 million minimum size requirement. The Small Cap Value Equity Composite adheres to the Firm’s model-driven, free cash flow analysis-based investment style and consists mainly of small cap value stocks. The benchmark is the Russell 2000 Value Index.
